

# Empowering SC Women: Groundnut Processing for Milk and Paneer Production

On February 13, 2023, ICAR-Central Institute of Post-Harvest Engineering and Technology (CIPHET) hosted a one-day training on groundnut processing for milk and paneer, benefiting 38 women from five SHGs of Jalandhar district, Punjab, under the SCSP Scheme. Led by Dr. Khwairakpam Bembem and Dr. Vikas Kumar of ICAR-CIPHET, with local coordination Shri Prince Sachdeva, Municipal Corporation, Jalandhar. Dr. Kotwaliwale assured continued support and highlighted CIPHET's incubation facilities. Shri Puneet Sharma (PCS), Municipal Corporation, extended well wishes. Dr. Kotwaliwale and Dr. Ranjeet Singh honoured participants with certificates, booklets, and beneficiary items. A collaborative effort fostering empowerment and skill development.
