

ICAR-CIPHET organized Orientation program cum exposure visit for school students

The ICAR-Central Institute of Post-Harvest Engineering and Technology, Ludhiana organised an 'Orientation program cum exposure visit for school students' from Partap Public School, Ludhiana on 25.07.2023. The programme was organized under the National Campaign to celebrate the "Azaadi Ka Amrut Mahotsav" for commemorating 75 Years of India's Independence and the international year of millets with a program 'Opportunities in millet processing and value addition'. Various facilities of the institute like agro-processing centre, millet processing centre, workshop and other facilities were visited and demonstrated. Dr. Sandeep Mann, I/c Director and Dr. Manju Bala, Head, Food Grains & Oilseeds Processing Division highlighted the importance of the millets in diet. Dr. R. C. Kasana, Nodal Officer, Azaadi Ka Amrut Mahotsav, motivated the students to keep at least one millet-based product in the diet to improve their nutrition. The coordinators of the program Dr. Deepika Goswami, Dr. Chandan Solanki and Dr. Guru P. N. guided the students regarding various opportunities of millets processing and value addition along with a short knowledge-based quiz. Twenty five students of medical and non-medical field attended the program with their coordinator Mr. Sahil Nagpal. The Principal of Partap Public School Ms. Parvinder Kohli and Senior coordinator Mr. Rajnish Guru supported the activity of the institute and appreciated the efforts of ICAR-CIPHET for this successful program.
