

## ICAR Foundation Day Celebrated at KVK Fazilka

On the 95th Foundation Day and Technology Day of the Indian Council of Agricultural Research celebrated on 16th July 2023, Krishi Vigyan Kendra (KVK), Fazilka under ICAR-CIPHET conducted a three-day programme from 16th to 18th July 2023 to commemorate the occasion.

During this event, an exhibition was organized showcasing the developed technologies by KVK and ICAR-CIPHET. The exhibition aimed to demonstrate various technologies focused on the value addition of fruits and vegetables and cloth tie and dye techniques. Additionally, the event featured different machinery and tools suitable for establishing small-scale enterprises and reducing drudgery for farmers. The focus was on promoting small-scale entrepreneurship in the region and enhancing the welfare of the farming community.

A total of 71 participants, including farmers, farm/SHG (Self-Help Group) women, students, and entrepreneurs, attended the exhibition and significantly benefited from the showcased technologies. The event provided valuable insights and practical knowledge to empower the attendees to explore opportunities for value addition in agricultural products, engage in small-scale enterprises, and adopt farmers-friendly tools and techniques to enhance productivity and overall well-being in the farming community.
